Aluminum Drive Is Delayed For OPM Move

Acting on a suggestion contained in a dispatch from Washington quoting the Office of Production Management, the Redwood City Exchange Club decided this week to delay its aluminum drive here until the start of a national campaign expected to be held beginning July 14.

Reason for the delay is that tests have been made of such "pots and pans" campaign in two Eastern towns, and it is desired by the OPM to tabulate results there before making a concentrated nationwide campaign. Accordingly, the Exchange Club, whose members started the local pile of scrap aluminum at their meeting Wednesday, decided to await the national campaign before starting an intensive drive here.

The U. S. Navy must spend more time training a pilot than is required to manufacture the plane he flies.

The sale of monacles in the United States has increased more than 50 per cent since the war began.

'Buck Privates' at Redwood Sunday

The Andrews Sisters with Bud Abbott and Lou Costello are the stars in Universal's army life comedy "Buck Privates" which opens Sunday for a three-day engagement at the Redwood Theatre. Companion feature is a first run "Silver Stallion."

Prize Winners Named For Stamp Exhibit

Harold Harris received first prize in the Sequoia Stamp Club exhibit contest at the local high school. The student philatelist was awarded a Scott's Standard Catalog by a committee of judges which included Lester F. Pryor, Donald Cherry and H. J. Lynch, faculty advisor of the club.

Second prize, a stamp outfit, went to Henry Jacoby. Other prize winners, each receiving a package of stamps, included Paul Pfandl, Harold Zietman and Wilfred Croy.

Blood Transfusions Given by Clubmen

BURLINGAME — During the course of a discussion Wednesday by the directors of the San Mateo-Burlingame 20-30 Club on the proposal to make blood donations a membership project, two calls came in for voluntary transfusions, it was announced by Charles Davis, president-elect. One member of the club left for San Francisco to offer his blood in a transfusion for a friend. Others volunteered to assist in a needy case at Community Hospital.

Lord Beaverbrook, Britain's minister of aircraft production, implicitly borrowed his title from the name of a tiny village in Northern Ontario.

Candidates Line Up For Board Job

A lively political contest has developed in San Mateo County for the supervisorial post from which Supervisor John A. (Jack) Lynch reportedly will resign next week.

Names most frequently mentioned as Lynch's probable successors were those of Councilman Edward R. McDonald, former Burlingame mayor, and Daniel O'Connell, Burlingame civic leader and deputy coroner. Both men are prominently identified with county Democratic circles, and although the supervisor's post is non-partisan, the vacancy will be filled by Governor Olson and political observers say he naturally would favor a Democrat.

In addition to McDonald and O'Connell, four or five other residents of the Burlingame district have been mentioned as possible candidates for the post—when and if it is vacated.

LYNCH AWAY

Earlier Lynch told the board his work in disposing of tax-deeded property for the county required his full time, and suggested that it be assigned to some capable person on a full-time basis. Other board members considered Lynch the logical man to handle the tax property program.

Board Chairman Fred E. Beer today said the board, aware of the need for liquidating 9000 parcels of tax-deeded property, favored retaining a man on a contract basis, with a salary supplemented by commissions.

Beer said the board would stay aloof from the matter of Lynch's successor.

County Executive Frederick Peterson, with whom Supervisor Lynch has been at odds frequently over county issues, voiced no opposition to the selection of Lynch for handling of the tax-deeded property sales. On the other hand, he praised Lynch's work in liquidating the large parcel of lots in the Schwerin tract in Visitation Valley.

"I would favor continuation of the work on a contract basis provided it could be cleaned up in a reasonable time," he said.

MRS. SMITH'S WILL FILED

Petition for probate of the will and for letters testamentary for the estate of Dolores Anna Smith was filed in superior court at Redwood City by her son, Dr. Harry Fisher Smith of San Bruno. Mrs. Smith, widow of Dr. Frank Holmes Smith of San Bruno, died June 4. A will dated Nov. 2, 1938, left her estate, valued at slightly less than \$10,000, to her son.

Missing Girl Now in East?

Miss Ethel McClure of Redwood City, the 20-year-old attractive blonde who disappeared Memorial Day weekend simultaneously with a married employee of the San Mateo County Health Department, where Miss McClure was a secretary, is with the man in Newark, N. J., according to word received by his wife.

Mrs. George C. Aeschbach, mother of three children, reported she had received an airmail letter from her 30-year-old husband postmarked Wednesday at Newark in which he informed her that Miss McClure was with him.

"Of course by now you probably know Ethel is with me," she quoted him as writing. "I am sorry it had to be Ethel instead of you."

Mrs. Aeschbach said he made no other mention of the girl whom police had asked to be on the lookout for. He said he arrived at the home of his mother in Newark last Sunday night.

According to Mrs. Aeschbach, Mrs. W. A. McClure, mother of the girl, told her she had received a letter from her daughter written in Salt Lake City, in which she had said she "soon would be 21" and that there was "nothing they (the parents) could do about it."

Mrs. McClure denied hearing from her daughter, however, and expressed belief the girl still was in California, probably with an aunt in Beverly Hills.

Neither Mrs. Aeschbach nor Mrs. McClure had any definite plans about the situation. "I don't think I'll do anything about the man," Mrs. McClure said.

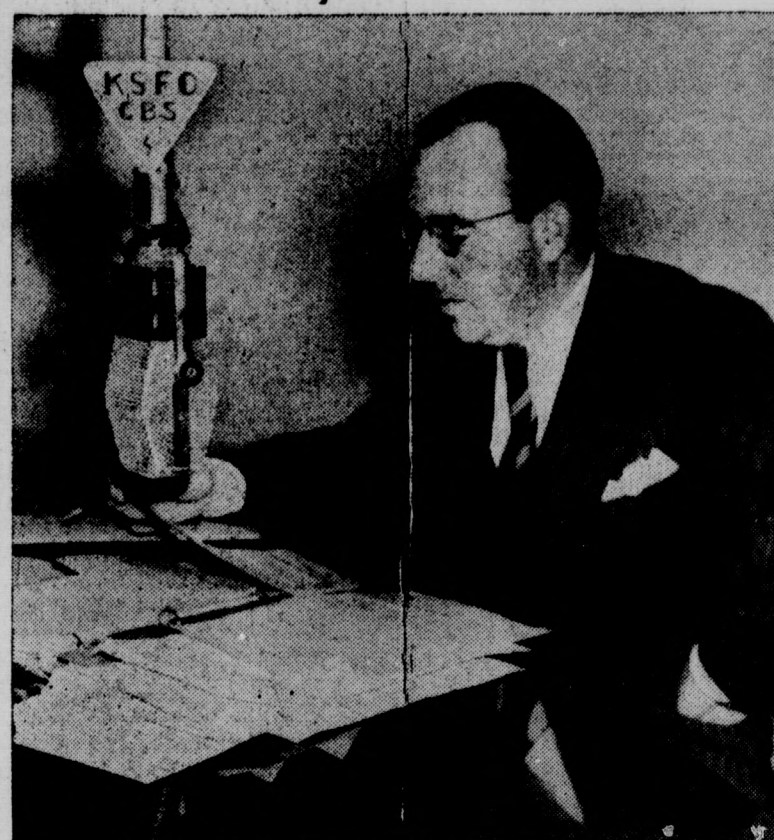

'Shootin' Contest'

Winner To Get Trip

Two American boys will start a two-week vacation Aug. 16 at Denver, Colo., with all expenses paid from home to Denver, on all the side trips and back home again, besides \$10 pocket "spending money." Who these two boys will be is to be determined at the close of a national "shootin'" contest being sponsored by the Daisy Manufacturing Co. of Plymouth, Mich. The first and second prizes will be this trip. Two hundred ten prizes in all are to be awarded. Further information and entry blanks may be obtained from Hull Bros., Inc.

The chigolo, a South American sparrow, has 22 subspecies.

Publicizes July 4th Celebration

Austin Fenger, editor of KSFO Farm Journal at San Francisco, will publicize the Peninsula Fourth of July Celebration at Redwood City with announcements and music virtually every day for the next fortnight. Fenger's program is heard over KSFO every morning except Sunday from 5:30 to 6:20 and every Saturday afternoon from 12:30 to 1. A lengthy boost for the celebration was given this morning.

WOODSIDE ACREAGE SOLD

Twenty-eight and a half acres of the Michael Howard estate on Woodside Rd. southwest of Redwood City, have been sold by Arica E. Tracey, executrix of the estate, to Betty D. Sirgo at a reported price of \$16,000. The deed has been recorded by the San Mateo County Title Co.

BRUSH FIRE PUT OUT

A grass and brush fire, supposedly started by a cigarette or match tossed away by a hiker, burned over an acre on the hillside below the Hassler Health Home in Cordillera Hills west of Redwood City yesterday afternoon before being extinguished by the county fire department.

The population of the United States and all its territories and possessions is 150,621,231.

Signals on many trains today are transmitted by means of air valves.

Local People Win Degrees

Several Redwood City people were among the 480 students receiving degrees at San Jose State College's commencement exercises held last week, a listing of the graduates disclosed today. Listed below are those from this city.

June graduates: Bachelor of arts with teaching credentials—Genevieve Peddicor, 904 Hopkins, with great distinction and departmental honors in physical education; Roberta Long, 238 Lowell, general elementary; Dorothy Mulcahy, 528 Hamilton, general elementary; and Annette Zaeppfel, 371 Elm, San Carlos, general elementary. Lorraine Jacobsen of 20 Diller St. received a bachelor of arts degree and a secondary in physical education.

June graduates with bachelor of arts degrees without teaching credentials: Dorothy Sabin, 30 Avondale, art, and Otto Tallent, 1122 Madison Ave., journalism.

Madeline Rose Morey, Emilie Ave. Atherton, a December graduate, received general elementary credentials. Billy Davis, 1236 El Camino Real, who will complete his work in August, was awarded a bachelor of arts degree without teaching credentials in English.

BURGLAR GETS \$35

Someone slipped into the room of Andrew Scattini at Grace & Pierre's Cafe, on El Camino Real in Atherton Monday night, and took \$35 from Scattini's trousers hanging in the room. Scattini is a dishwasher at the cafe. The sheriff's office, investigating the theft, said the "barefoot burglar" apparently was not the thief in this case.

MENLO PARK NEWS NOTES

It was rumored this week that the Weir residence on Middlefield Rd. was sold to a local capitalist for \$16,000.

Mrs. Dorothy Fisher and young son, Forest, are here from Portland, Ore., to spend the Summer with her father, Arthur Taylor, in North Fair Oaks.

Mrs. Catherine Derry is attending the Grand Parlor of Native Daughters of the Golden West in Los Angeles this week. She is a delegate from the local parlor and has been mentioned as one of the grand officers to be elected. For years Mrs. Derry has represented the local parlor at annual conventions.

Miss Carmel O'Keefe entertained a number of out-of-town friends at her home Wednesday. After dinner the party attended a show at Palo Alto.

The big Belgian bells installed recently in the Hoover Building tower at Stanford may be heard every afternoon. The tone is

beautiful and inspiring.

A well-known young couple left here yesterday for a vacation to be spent in Yosemite. Their friends are quite sure they will be Mr. and Mrs. when they return.

Work on the new theater building will start when the widening of the highway through Menlo Park is completed in October. It will be a \$120,000 structure.

Lederer Starred in New Production

Mail orders are now being accepted by the Alcazar Theater in San Francisco for "No Time for Comedy," stage farce which opens Thursday night, June 19. The production, which features Francis Lederer, one of Hollywood's most popular screen stars, will play a limited engagement.

Prompt attention is being given mail orders for the Francis Lederer vehicle by the Alcazar management. All orders for seats must have checks enclosed which include the ten per cent federal tax and a self-addressed stamped envelope for the return of the tickets.

In "No Time for Comedy," Lederer portrays a disgruntled playwright who feels that he is not doing right by his art in merely turning out an unending series of great commercial hits and has an obsession to do a serious play. He nearly loses his home before he comes to his senses.

Rose Hobart, Doris Dudley, Paul McVey, Marcella Canty and Dan Tobin have important supporting roles in the production.

New City Map Is Issued Here

Copies of a pocket map of Redwood City, recently published by the chamber of commerce, were received in the mail Wednesday by members of the organization. The map is a revised edition of the one produced by the chamber several years ago and the current edition marks the third revision, according to Roscoe D. Wyatt, secretary-manager of the chamber.

In addition to the map, which shows all present city streets, the folder has a roster of 210 members of the chamber and lists all of Redwood City's churches, civic and community organizations together with their principal officers.

Non-members may obtain copies of the new map at the chamber's offices in the city hall, Wyatt said.

The value of scrap materials now being used in American industrial production is estimated in excess of a billion dollars.

American transport planes were used by the British army in moving troops from India to Iraq, the British Press Service reports.

Program Is Arranged For Friday Graduation

The beautiful campus of Sequoia High School will be the setting in which more than 2000 persons are expected to witness the annual high school graduation exercises at 7:30 o'clock this evening.

Beneath the spreading trees in front of the main building, approximately 330 capped and gowned seniors will be honored upon completion of 12 years of scholastic life.

The ceremonies will be open to the public, with friends and relatives of the graduates sitting in a reserved section.

Music by the high school orchestra, a word of welcome from Supt. A. C. Argo, the presentation of the class gift (a public address system for the auditorium), and announcement of scholarships and medals will highlight the evening.

With workmen rapidly finishing construction of the grandstand and faculty members clearing up details of the program, preparations for the elaborate affair are already nearly completed, according to Superintendent Argo.

Rehearsal for the ceremonies will be held at Sequoia tomorrow afternoon, when motion pictures will be taken by Ronald Anderson, who is planning to add them to the film, "The Story of Sequoia."

The complete program, as announced today by Superintendent Argo, is as follows:

Processional	Celebrated Processionals..... arr. by Glenn "Star Spangled Banner"..... Francis Scott Key

Jo-Jo, Famed Clown, Signed Up To Entertain Kiddies at Fete

The nationally famous Jo-Jo the Clown, who entertained thousands at the San Francisco World's Fair and has appeared in shows from New York to California, in the movies, in television, and at wealthy people's house parties, will be in Redwood City with his complete show for the Peninsula Fourth of July Celebration.

This was disclosed today by L. E. Wolbert, head of the amusement committee, who also announced four other features especially for children—from 1 to 99 years of age:

1. Mr. and Mrs. J. A. Banks' pony rides, which have been doing business at San Mateo, on El Camino Real at 20th Ave., for five years.

2. A pony-go-round, in which real live horses will be available for children instead of a merry-go-round, as had been planned.

3. A display of a "jenet," a live, 28-inch high white mule named "Dolly," one of only two or three such animals in existence.

4. A puppet show to be staged continuously by Lorraine and LeRoy O. Jordan of Redwood City, formerly of San Francisco. Admission to all the shows and for the pony rides will be 10 cents for children.

Jo-Jo, who really is human and is named Howard R. Rider, will stage shows at the Recreation Center grounds throughout the three days of the celebration, July 4-5-6, when also will be held rodeos, a horse show, parades, a model airplane meet, miniature auto races, athletic events, dancing and a \$1000 fireworks display.

With Jo-Jo will be his "pony with the human brain," Laddy Boy, which can add, subtract, and do tricks; Jo-Jo's wife, Boo-Boo, a clownette; Poogie-Poogie Alstrand, a magician; Red Johnson, the juggler; Annette and Babette, dancers; Flo Bo, an ac-

tionist, and musicians to play the piano and electric organ. Jo-Jo, himself a magician and musician, will do such tricks as turn balloons into horses, dogs and cats, and will play on the world's tiniest piano, a 12-key instrument weighing less than one pound.

His show is expected to last about a half hour or more, and

JO-JO THE CLOWN

performances will be staged as fast as his open-air auditorium is filled.

Jo-Jo, who last Sunday put on a show at Ross, Marin County,

Mounted Unit Slated For July 4 Parade

One of the most attractive of the mounted units expected to be seen in the Fourth of July parade in Redwood City will be that sponsored by Frederick W. Larkin, formerly connected with the San Francisco Seals Stadium and now operator of a cafe in Redwood City.

In the unit will be S. E. Boyd and Robert Boyd Jr. of Redwood City; George Dollara and Helen Dollara of San Francisco; Mrs. Larkin; Eddie Coli of Redwood City, and possibly others.

Conference Retains Local Methodist Pastors

Rev. Samuel J. Chaney, pastor of the First Methodist Church in Redwood City for two years, was returned to the local charge, as were all other San Mateo County pastors, at the close of the California Conference of the Methodist Church that ended Monday in San Jose.

Peninsula pastors who have been returned to their charges included Dr. Chaney; Rev. J. C. Kelsey, Half Moon Bay; Rev. A. J. Case, San Mateo; Rev. F. H. Petershine, South San Francisco; Rev. E. A. Dabritz, San Bruno; Rev. Myron Herrell, Mountain View; Rev. Ronald L. White, Millbrae; Rev. John L. Wilkins, Burlingame; Rev. Gerald Kennedy, Palo Alto, and Rev. A. Maurice Chamberlin of Mayfield.

Rev. Donald Baldwin, who has been assistant pastor at Palo Alto, has been transferred to the pastorate at Campbell. No appointment was made to fill the vacated Palo Alto position.

Chief business of the conference was passage of a resolution advocating abolishment of state liquor control and a return to local option.

Army Patrols North American Aircraft Workers' Homes

In Hawthorne, Calif., nearby the North American Aviation Co plant where a majority of its workers live, armored scout cars and motorcycles carrying troopers of the 11th Motorized Cavalry patrol streets. Although the strike has ended, the Army announced it would not allow workers to be intimidated.

IRONING BOARD BURNS

An ironing board caught fire at the William Watters residence, 911 Madison Ave., shortly after 2 yesterday afternoon. Firemen, called to the scene, extinguished the blaze before it could do serious damage.

Production of the nation's oil refineries has increased 60 per cent in the last 10 years.

The Saint Chapelle in Paris, built by Louis IX in 1245, is considered the most perfect specimen of pure Gothic architecture in the world.

Old East dormitory at the University of North Carolina, was erected in 1794.

The hides of circus elephants are oiled regularly to keep them from cracking.

Woman Suffers Burns When Paraffin Ignites

WOODSIDE — Mrs. John C. Swinford, California Way at Jefferson Ave., suffered burns on the right arm and on the right side of her face Wednesday as paraffin she was using in preserving fruit ignited at her home. The Woodside Fire Department was called at 8:53 a.m. and extinguished the kitchen blaze. Scorched paint was the only damage done to the house.

Corner Being Widened At Vera and Valota

Work under a city contract to increase the radius of the corner at the intersection of Valota Rd. and Vera Ave. started this week. Peter Sorensen is contractor on the job. The corner, according to City Manager C. L. Dimmitt, has been too sharp for safety and the new work will correct the condition.

VFW Groups Asked To Parade Here

Veterans of Foreign Wars units of San Mateo and Santa Clara County councils will be invited to participate in the Redwood City July 4 celebration by members of the local post, according to J. W. Dean, commander.

At the post's meeting, it was voted to send letters of invitation to all neighboring posts and also to ask them to take part in the official opening ceremony.

At the meeting plans were made for a local delegation to attend the state convention at Santa Barbara from June 22 to 26. Dean, William Handley and J. M. Foulks will represent the Redwood City post.

RAISINS IN BISCUITS

Try some raisins in your biscuits, the next time you make them. Raisins are an excellent source of iron.

Much Fun for Kiddies Planned at Celebration

There'll be plenty doing for the young folks at the Fourth of July Celebration, according to Alfred (Red) Morton, city recreation director who is also program committee chairman for the celebration.

Besides the Model Airplane Meet and the Miniature Auto Races, about which much already has been heard, there'll be a "posie" (floral) parade and a bicycle parade the morning of Saturday, July 5, in addition to numerous foot races, handicap races, greased pole climb, pie and watermelon eating contests, and other athletic events on both Friday and Saturday, July 4 and 5.

Morton has announced four main prizes for the posie parade: One for the best decorated float; one for the best decorated wagon or wheel barrow, one for the best decorated tricycle, auto or velocipede, and one for the best decorated doll or baby carriage.

For the bicycle parade, to be held also Saturday morning, there will be four prizes from Montgomery Ward's: a first, second, third and fourth award for the best decorated bikes.

There's no charge for any en-

tries in the events, and lots of opportunity for merchandise, cash prizes, trophies and other awards. And for every winner, there is in addition a \$2.50 picture order from Murray's Studio.

"Youngsters should be planning their entries now," Morton declared, "so that they can be all ready when the big celebration starts. It's only a little more than two weeks away now."

Army To Time Model Airplane Meet This Year

There'll be no mistakes made in the timing of model airplane flights this year at the meet to be held at the Fourth of July Celebration beginning at 7:30 a.m. July 4. Some plane owners seemed to think last year that the timing wasn't too good. But this year men trained in precision work will do the timing—soldiers from the Moffett Field Airbase, according to Lieut. Clement R. Baume, U. S. Navy retired, who is chairman of the Exchange Club's model airplane meet committee.

Everyone with a gasoline model plane is urged to get his entry in to Baume's in advance are only 50 cents. After July 1 they are 75 cents. A total of \$87.50 in cash prizes is offered in the five classes—\$10 first, \$5 second, \$2.50 third in each class.

St. Joseph's School Holds Graduation Rites

BELMONT—Graduation exercises were held Friday at the Chapel on the St. Joseph's Military Academy campus.

Diplomas were presented by the Rt. Rev. Msgr. Patrick L. Ryan, V. G., of Star of the Sea Parish in San Francisco, assisted by the Rev. John Greenan of Belmont and Rev. Harold Crampton of San Carlos. Singing by the Cadets was led by Rev. Edgar Boyle of St. Monica's Church of San Francisco.

The graduates were Peter Timmons, Albert Restani, Frank Remington, James Sullivan, Gordon Goldsmith, William James, Charles Braley, Sheldon Kiser and Donald McSweeney.

27 Sequoias Win Seal Service Award

Sequoia High School bestowed her highest honor, the seal service award, upon 27 students at a special assembly. Cuthbert B. Currie, Redwood City attorney and Sequoia graduate, made the presentations.

In order to qualify for this award, a student must have a high scholastic average, possess a block letter in athletic or cultural activities and have won

24 other service points, according to Supt. A. C. Argo. Receiving seal awards were: Lillian Anderson, Miriam Beach, Theresa Birolo, Doris M. Brown, Vertis Bullivant, Betty Dilg, Evelyn Flora, Dennis Fox, Marjorie Glathe, Vivian Holmquist, Eleanor Holzworth, Kae Ann Horn, Isabel Ledesma, Don McCrea, Barbara Miller.

Dorothy Mullen, Betty Lee

Parrish, Violet Peters, Charlotte Provin, Roberta Ramsay, Jane Roberts, Eleanor Schreck, Virginia Simpton, John Sisson, Joan Steelhammer, Mary Stowe, and Connie Thomas.

Following a tentative adoption of next year's budget, new student commissioners were inaugurated on Friday and Aug. 29 set as the date for the next commissioners' meeting.

The nation has about 6500 draft boards.

Canyon Homes Menaced By Cordilleras Fire

A half dozen homes clustered in the canyon on Elvanado Rd., above the junction of Whipple Ave. and Cordilleras Rd., were threatened by wind-driven flames which blacked out a large patch on the north canyon slope, Wednesday.

Luckily for the homeowners, the wind carried the blaze away from their houses and up the steep hillside, where it licked

through the wild oats, charred brush and scorched oaks. Firemen from the county fire wardens' headquarters at Redwood City corralled the blaze after a stiff fight. It was estimated the fire covered about six acres, but did no appreciable damage.

The fire crept close to three houses on the east side of Elvanado Rd., but the wind swayed the flames away from the dwell-

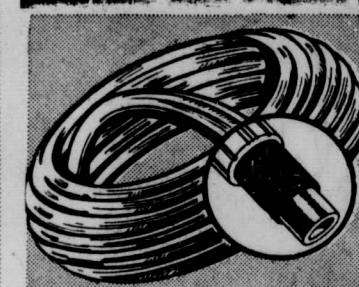

ings as residents used garden hoses to dampen the grass near the houses. Among the threatened homes were those of J. M. Foulks, Robert Cole, B. Vilyeu and two houses owned by R. N. Buell.

Consumption of scrap iron and steel in the United States during the first four months of this year totaled 17,518,000 tons, nearly 6,000,000 more than in the same period of 1940.

New Dance Routines Shown at Ice Follies

Life on the Spanish Main with 16 pretty little pirates, old chests full of human gems, and featuring the great Canadian skating pair, Colson and Claudet, make up a brilliant production number, "Pirate Gold," in the new Ice Follies of 1941 now appearing nightly at Winterland, in San Francisco.

Ice Follies offers for the first time a group of "Pirate Girls" on a skating surface in the Ziegfeld or George White manner. Eight Ice Follies ballerinas wear glorified costumes representing precious stones and metals as the treasure in this pirate number. Specially designed, these costumes, some of them 12 and 14 feet in diameter, were made at an average cost of \$1000 each.

Seen for the first time as a pair in Ice Follies of 1940, Colson and Claudet, two of the outstanding pair skaters on the North American continent, offer a new routine of pure figure skating.

More new freight cars are on order now than at any time in the past 16 years.

More Radio Aid Assured For Celebration

More radio publicity has been assured for Redwood City's Fourth of July Celebration.

In the celebration committee's morning mail today came assurance from Radio Stations KFRC, KJBS and KQW that announcements of the Independence Day event would be made over those stations.

"KFRC will co-operate with the Redwood City Fourth of July Celebration," wrote Mel Venter, production manager. "Please send us three or four announcements."

"We will be happy to run a series of announcements on both KJBS and KQW," wrote E. P. Franklin for his firm.

Already several announcements of the celebration have been made over Station KYA; one over KSFO, and on a brief program over KQW—and perhaps others not called to attention of the committee.

Four Selectees Leave For Year in Camp

Unceremoniously, as quietly as a group of commuters taking the morning train, four selectees boarded the 8:07 San Francisco train at the Redwood City depot on Wednesday and departed for a year's training in the army.

The newly-elected soldiers sent as the Redwood City Draft Board's contribution to the combined 10th and 11th draft calls, were Arthur O. Lovick, 30, and Jack E. Daly, 29, of Redwood City; Lawrence E. Miller of San Carlos, and Harry G. Winters, 23, of San Francisco.

Winters' wife and sister were there to see him off. George Paul, chief clerk of the draft board, saw that the boys were properly registered for the ride. The train arrived, and the scanty farewells were said, and the boys departed for the induction station in San Francisco. Next Wednesday three more local youths will follow them.

An Oakland resident has patented a trombone with a foot treadle to operate the slide.

'Business as Usual' Believed To Be at End

Belief that "business as usual" is over and that the government will soon "take over" was expressed before the Exchange Club Wednesday by William Reagan of San Francisco, a member of the stock exchange there, who also discussed the stock market trend, calling it favorable if not "thoroughly optimistic" at present.

Discussing the "present national emergency and the importance of the New York Stock Exchange during that period," Reagan gave as general conclusions a belief that President Roosevelt will exercise his full powers to see that China and

Great Britain get "real" aid from America, and that this will bring a hastened rise in the industrial output. The present 12 billion dollars or so in lend-lease aid would have to be increased to 36 to 40 billions a year to match Germany's output, he explained.

Reagan predicted also that shortages will come in "consumers' durable goods" such as automobiles, and certain types of housing, and foresaw a continued rise in employment, with wages having a rising trend. Shortages already noted in

skilled labor will continue and become more acute, he predicted. Food prices will go up also, he said, although he pointed out that government control over prices will tend to stabilize costs somewhat.

He declared that business men should keep a portion of their assets in liquid form, and expressed it as his belief that they should invest in saleable property. He also pointed out that the outlook should be kept in mind in making investments. If it is favorable or unfavorable, the

business man should invest accordingly. A good barometer of business, he pointed out, is the market, and at present it is "favorable, if not thoroughly optimistic."

Philip Small, who accompanied Reagan to the meeting, at which Francis Tinney was chairman, answered numerous questions, declaring, among other things, that there were good values in many stocks now, but that he considered "war babies" as not as good investments as peacetime stocks.

Lord Beaverbrook, Britain's minister of aircraft production, has seen the Marlene Dietrich movie, "Destiny Rides Again," more than 25 times.

A SAVING FOR RAINY DAYS

10% SUMMER DISCOUNT GAS HEATING EQUIPMENT

BUY NOW PAY LATER

WHEN THE RAIN DROPS start pattering down this coming winter will your home be among the thousands that have saved money getting snug and warm for these rainy days?

The opportunity to do this is at hand. Right now, there is a 10% Summer Discount on Gas Heating Equipment.

That means you can be rid of your old, slow-acting, costly-to-operate heating plant and put in a modern, efficient economical heating appliance. By buying now there is 10% slashed off the price tag. Best of all is that you make no monthly payment until after October 1.

That is like having your cake and eating it too. You save money for what your home will need on a rainy day. You have no payments until the rainy days start. Why not modernize your house heating now? Put in one of the new blower-type furnaces that deliver heat faster and use less gas. Do it now.

SEE YOUR DEALER
